

Professional Silicone Rubber Manufacturer

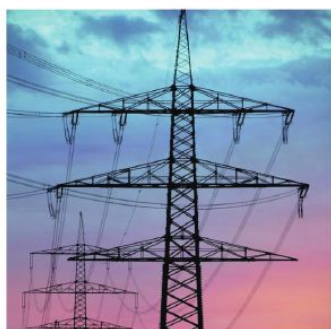

Yueqing Nankai New Materials Co., Ltd was founded in 2012 and is a subsidiary of XIYA Power Equipment Co., LTD. We are a professional enterprise engaged in the research and development, production, and sales of organic silicon polymer materials, blended silicone rubber, and silicone products. Our main business includes various types of blended rubber, blended silicone rubber, electrical insulation silicone rubber, universal silicone rubber, gas-phase rubber, extrusion rubber for power lines and cables, silicone products, and engineering plastics import and export. Our products are mainly used in the production of organic composite sheaths such as synthetic lightning arresters and insulators, as well as high-voltage electrical components, sealing rings, miscellaneous products, automotive accessories, and other fields.

Factory Advantages

1. Nearly **12** years, professional production experience factory
2. Nearly **10** categories of silicone materials.
3. Professional **R&D** team
4. **95%** reorder customers
5. Strong annual production capacity and short delivery time (**3-4** days)
6. **Best** factory price
7. Certified: **ISO9001**
8. **OEM** services (Color and performance)

Products

Professional Silicone Rubber Manufacturer

High-performance Insulator Silicone Rubber

Electrical Flame Retardant Rubber

High Temperature Resistant Silicone Rubber

Insulating Silicone Rubber

Silicone Self-adhesive Tape

Universal Silicone Rubber

Production Environment

Leakage Current Tester

Rubber Tensile Testing Machine

Electric Hot Air Drying Oven

Aging Test Chamber
